Standard steering gear bracket double-axis servo bracket robot multi-function oblique U-shaped L-shaped one-legged beam bearing

Product code	M2829
Category	Servo/Motor/CNC/Car/Robot
price	18.00 - 48.00 baht
weight	450 grams
Post the product	27 August 2019
Latest update	10 Dec. 2020

Please select product type below.

[Product details](#)[How to order](#)**Product details**

Standard steering gear bracket double-axis servo bracket robot multi-function oblique U-shaped L-shaped one-legged beam bearing

Each bracket parameter:

Our steering gear brackets are suitable for South Korea's HS322, HS422, Huisheng's MG995, MG996, SG5010 and other steering gears, supporting Hitec, Parallax, Futaba, Huisheng and other brands (size 40 × 20 × 36mm) standard steering gear.

Name: Wide U-type steering gear bracket

material: 2mm hard aluminum plate

Table: fine sand matte Spray (black) sandblasted oxidation (silver white)

Size: 45X42X25mm

Weight: 19g

- Keypad [9]

Color: Black , Silver

Name: Slot board steering gear bracket

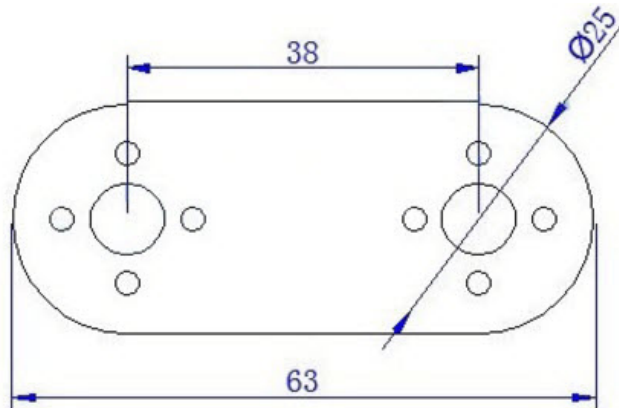

material: 2mm hard aluminum plate

table: fine sand matte spray (black) sandblasted oxidation (silver white)

Size: 63.5*2*25.5mm

Weight: 7.2g

Color: black , silver

Name: L-type steering gear bracket

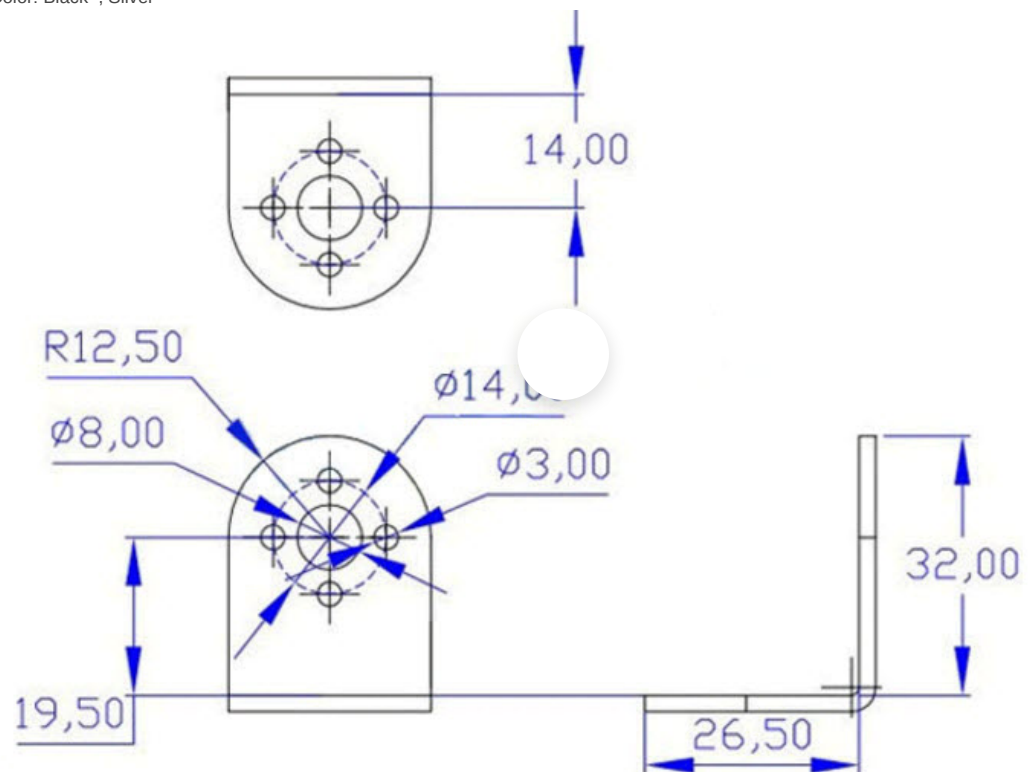

material : 2mm hard aluminum plate

table: fine sand matte spray (black) sandblasted oxidation (silver white)

Size: 37.5*29.5*25.5mm

Weight: 7.2g

Color: Black , Silver

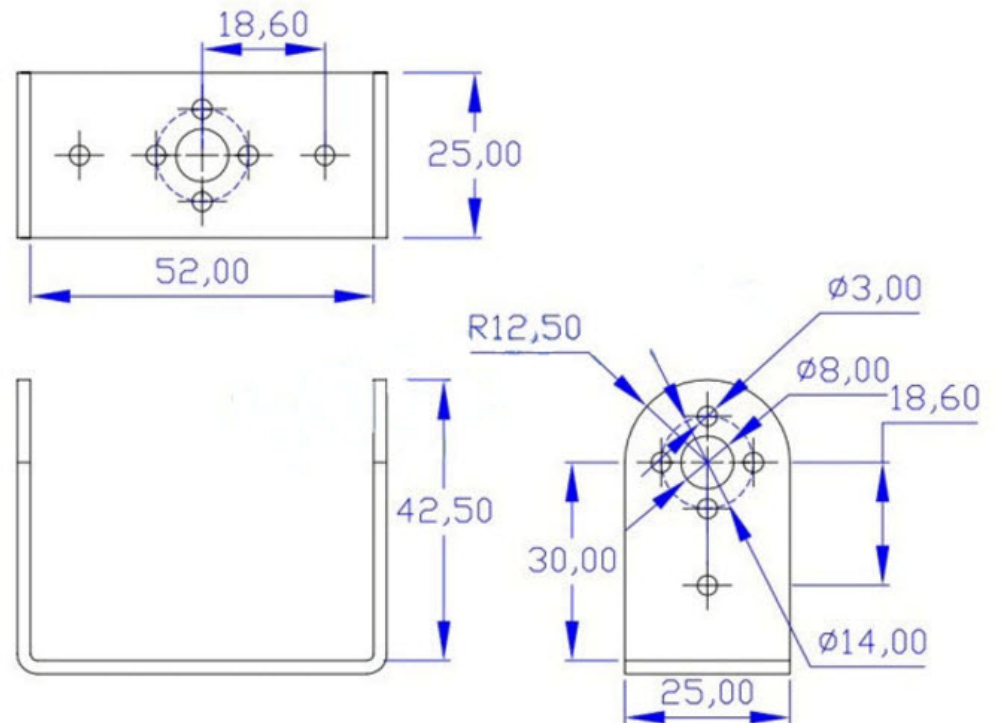

Name: short U Steering gear bracket

material: 2mm hard aluminum plate

Table: fine sand matte spray (black) sandblasted oxidation (silver white)

Size: 42.5X56X25.5mm

Weight: 16g
Color: black , silver

Name: Long U-type steering gear bracket

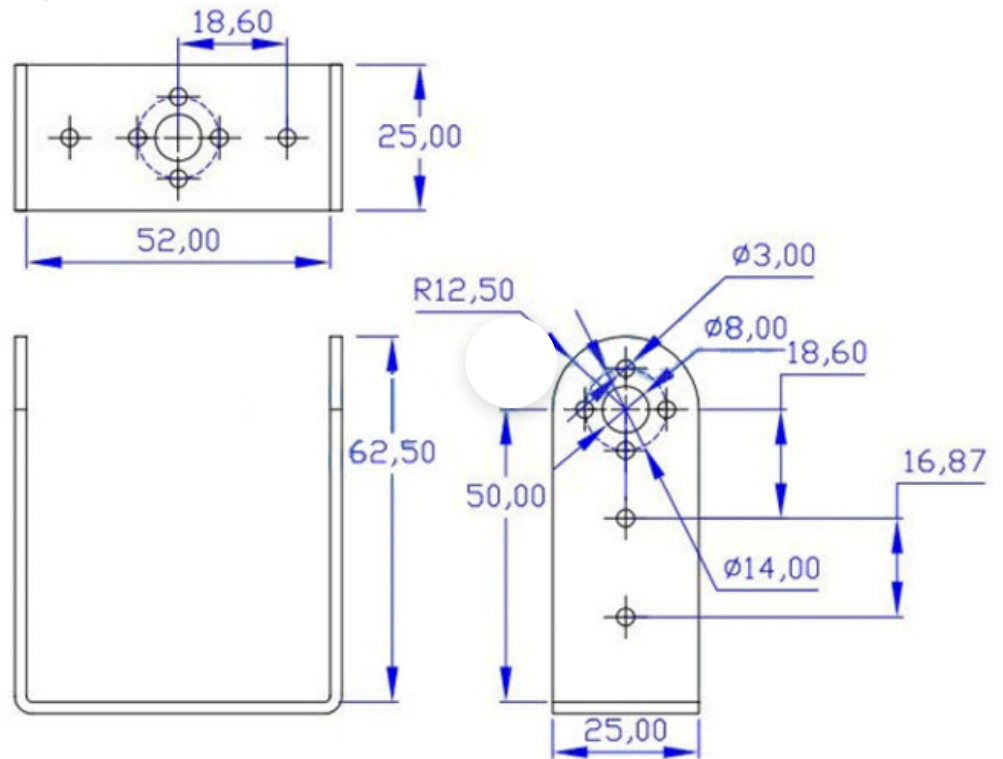

material: 2mm hard aluminum plate

Table: fine sand matte spray (black) sandblasted oxidation (silver white)

Size: 64.5X56X25.5mm

Weight: 21g

Color: black , silver

Name: oblique U-type steering gear bracket

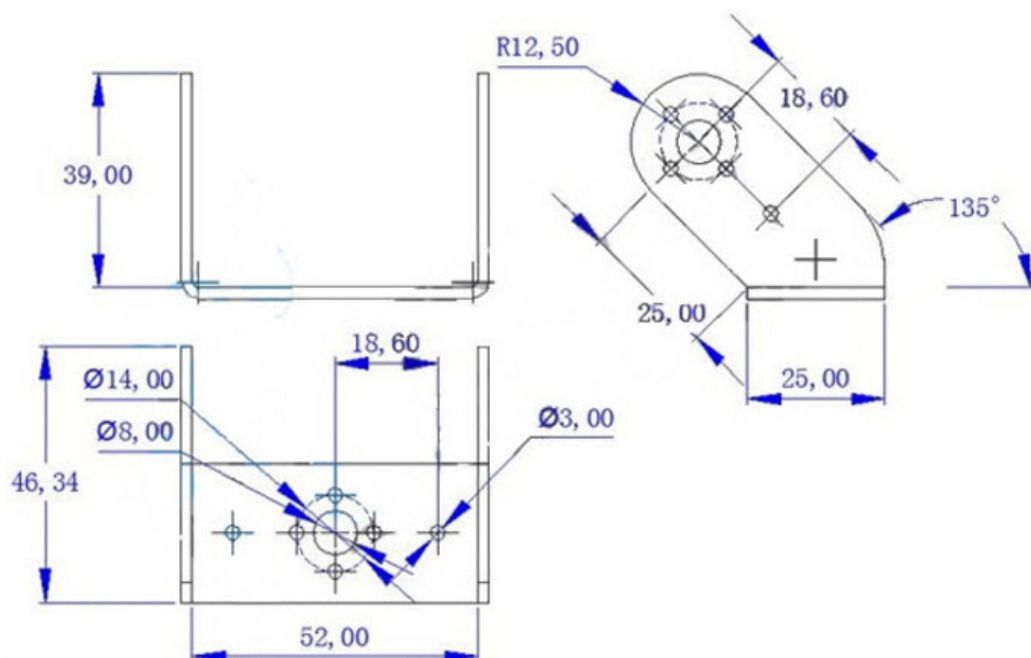

material: 2mm Hard aluminum plate

Table: Fine sand matte spray (black) sandblasted oxidation (silver white)

Size: 56X25X41mm

Weight: 23g

Color: Black , Silver

**Name: Multi-function servo bracket**

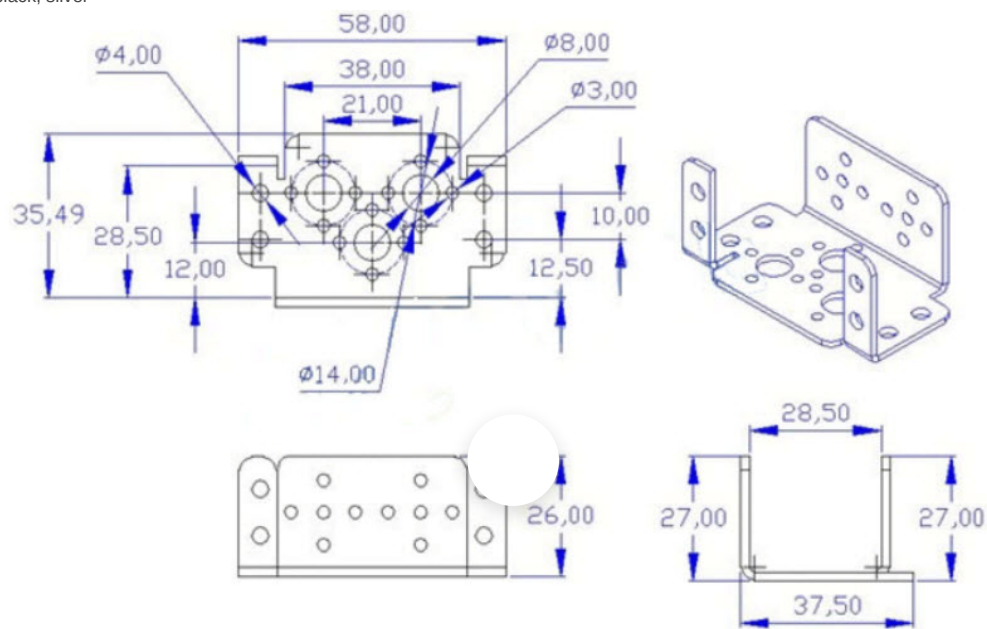

material: 2mm hard aluminum plate

Table: fine sand matte spray (black) sandblasted oxidation (silver white)

Size: 58X37X26mm

Weight : 16g

Color: black, silver

**Name: Bigfoot**

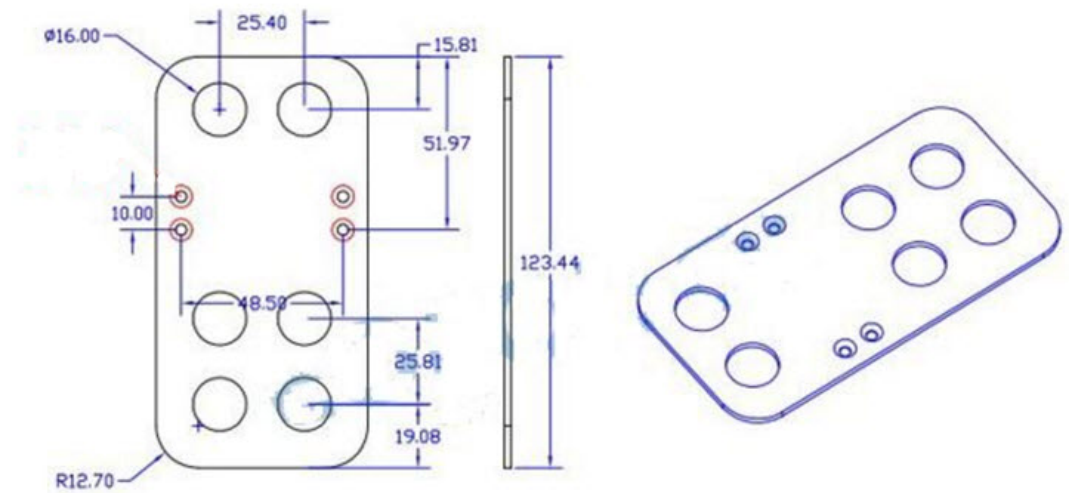

material: 2mm Hard aluminum plate

Table: Fine sand matte spray (black) Sandblasted oxidation (silver white)

size: 123.5 * 63.5 * 2mm

weight: 33g

color: black , silver

name: U- beam steering bracket

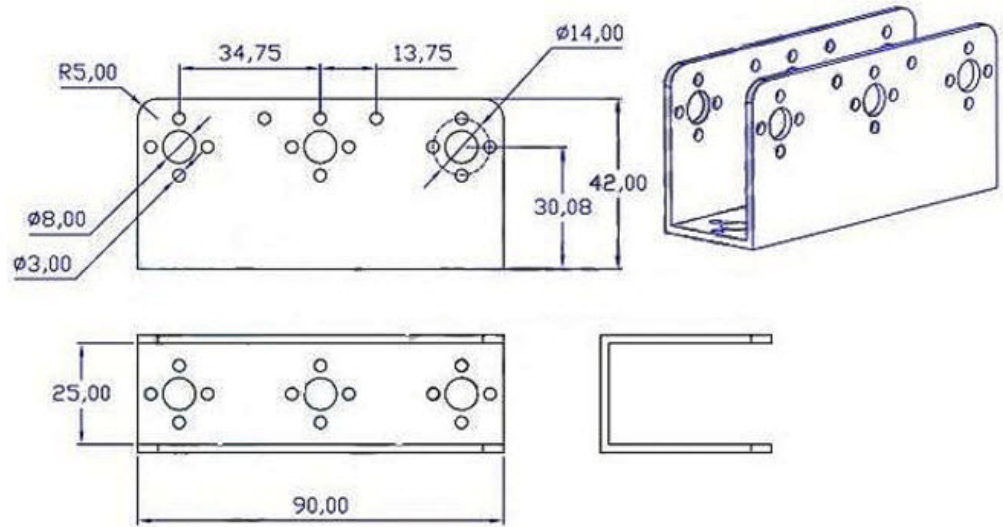

material: 2mm aluminum hard

surfacing: matte spray sand (black) sandblasting (silver)

size: 90*25*42mm

Weight: 50g

Color: Black , Silver

材料：铝合金，表面银色氧化处理。

安装孔间距：14mm

舵机盘直径：20mm

花齿孔径：5.5mm

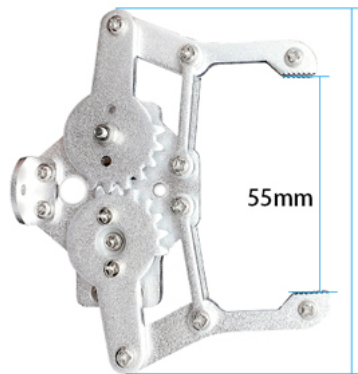

花齿数量：25mm

4个M3攻丝安装孔

支持本店的机器人支架

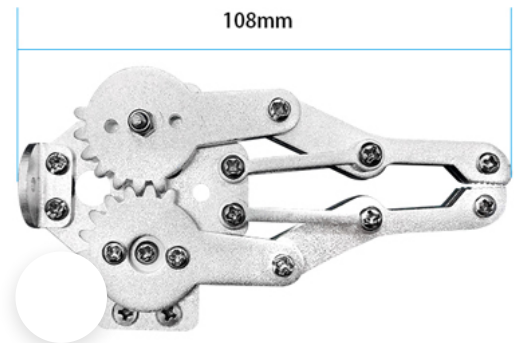

适合Hitec、Parallax、Futaba、辉盛等品牌

（尺寸为40×20×36mm左右）标准舵机。

98mm

55mm

108mm

材质：硬铝合金

重量：64g
